

# The Prez Sez...

Hello to all

Looks like my year as president is coming to an end and I have to say it's been a great year. All the love and support I have received has really made the rough spots not quite as rough and the good times were much better. I have enjoyed making new friends and spending time with old friends. The activities I have participated in have all been fantastic and the ones I missed made me wish for more time so I could enjoy them all. I do need to get over my shyness but with everyone's help I think we can accomplish that. The direction of CWN this year I feel was very positive and the changes made will only help strengthen the club. Time will tell. So thank you all for all the love and support you have given me this year.

Now if you were wondering why you are getting a newsletter in March instead of the quarterly April letter. It was felt some of the information needed to get out before April. Which brings us to the question do you prefer a quarterly newsletter with a calendar of updates on the off months? Or should we go back to a monthly newsletter? Please let myself or a board member know your option or email our web site. On the same note I would like to inform everyone that the newsletter will now be available for downloading on our web site. So check it out and let us know what you think. It was felt that we could save paper and some money by doing it this way. In October you will then check which way you want to receive you newsletter, e-mail or snail mail.

Lastly I would like to talk about our last two dances. First the Valentine's Day dance held at the Elks in Wausau. It was felt that as a nonprofit group it would be nice to give something back. So we made this dance a charity dance open to all the public including married couples. And the response was an overwelling success 184 people attended and we were able to raise \$600 for The Big Brothers Big Sisters. Not to mention the two large boxes of food we were able to donate to the Salvation Army. The feedback I have gotten from the community has been totally positive and they feel CWN'er know how to throw a party. You can't buy better PR than that. The annual meeting dinner dance held at Bernards was also a great success. We had a Hawaiian theme and Bernards made a special menu for the event. So 62 of us enjoyed a great meal. We then had a short meeting in which the new board was introduced and approved. There are still some opening for board members, and a real need for a new secretary. The dance that followed had some great costumes and a whole lot of flowered shirts. And by the way if you were wondering, yes I will be your president for one more year. BUT that is all.
